All About Us :

Mazari Technical Works L.L.C, is a leading service company in Dubai, UAE, specializing in Mechanical, Electrical and Plumbing (MEP) Building Services with over 40 years of combined experience. Driven by a team of highly experienced and professional individuals focused to deliver and maintain high-quality MEP services that have become synonymous with the Mazari Technical Works.

Operating for over 10 years in the Middle East, our highly qualified and technically experienced engineers, supervisors and technicians helped us to work with some of the leading organizations in the industry. We execute projects of various sizes for commercial, residential and industrial usage.

With knowledge and experience supported by innovative modern methods and technologies, we aim to sustain our competitive edge delivering quality with cost-effective proposals and tailoring projects to specific needs. Believing that anything is possible, and succeeding is the inspiration that drives Mazari and its exceptional management team to exceed all expectations which is our vision and passion.

We continually commit ourselves to the highest quality, and HSE standards and meeting the deadlines on time. Our goal is to provide superior quality services and peace of mind knowing that your work is in safe hands and executed in a professional manner. It is this vision and excellent project delivery that has become our core strength behind our success, as we aspire to continually challenge, defy, and contribute to leading Mazari into the future, and delivering unparalleled service.

Our Vision

We aim to become one of the top MEP contracting companies in the Middle East with an ethical and professional manner to earn the privilege of being the Contractor of choice. We aim to become one of the top MEP contracting companies in the Middle East with an ethical and professional manner to earn the privilege of being the Contractor of choice.

Our Mission

To deliver high-quality, cost-effective works on schedule and enhance our customer satisfaction through continual improvement of our business practices in terms of safety, quality, services, delivery as per client expectation, environmental protection as well as the international expansion of our business.

Quality Policy :

We aim to attain business excellence in infrastructure works by meeting and exceeding our customer's expectations in terms of quality, timely completion and safety with absolute compliance to relevant regulatory and obligatory requirements. Our goal is to remain the preferred contractor by continuous improvement with proper adherence to the Quality Management System.

AUTHORITIES APPROVALS

A close-up photograph of an electrician wearing a blue shirt, grey trousers, and red safety gloves. The electrician is holding a large coil of black corrugated flexible conduit. Inside the conduit, several white electrical wires are visible, with some colored wires (yellow, green, blue) protruding from the end. The background shows a metal structure, possibly a ladder or scaffolding, in a workshop or industrial setting.

ELECTRICAL SERVICES

ELECTRICAL SERVICES :

- **Power Distribution Systems**
- **Lighting Control**
- **Low Current Systems**
- **Telephone & Data Systems**
- **MATV Systems**
- **Access Control Systems**
- **Audio / Video Intercom Systems**
- **Industrial Process Services**
- **Fire Detection and Alarms**

Mazari Technical Works provide outstanding electrical services to Residential & Commercial clients. We have experience in providing an extensive range of electrical services and electrical contractors to a vast selection of businesses, government departments, facilities, and community organizations.

We specialize in technical work even to retail stores with finest details to ensure all services adhere to your standards and specifications. We are confident that whatever your situation may be, our professional team will exceed your standards with minimal disruption to your business, staff, clientele and your business.

We are specialist in complete shop fit-outs and refurbishments, tenancy meter separations, main switchboards and distribution boards, office fit-outs, contract maintenance, light and power (upgrades, maintenance, installations, etc.), exit and emergency lighting installation, testing and repairs, consumer mains & sub-mains, floodlighting and security lighting, lightning and surge protection, RCD Safety Switches.

MECHANICAL SERVICES

MECHANICAL SERVICES:

We at Mazari have a unique combination of knowledge and experience - supported by a proven and wide-ranging services portfolio - we have the capability to deliver significant cost benefits and support for all business-critical components and processes.

We are specialized in providing complete mechanical services for the residential and commercial sector. We are known as a highly reliable contractor for mechanical services which include, valve services, pump services and other rotating and electric equipment services, on-site machining & bolting services, in-shop machining services, heat treatment services, piping services and other generic mechanical services to support you in your day-to-day business.

We offer a range of solutions and services with a key focus on integration. Our integrated solutions deliver economies of scale, the flexibility of response and innovation in thinking. They minimize process interruptions and downtime. They cut the number of suppliers you need, with all the associated administrative workload. And they lead to safer working practices and environments.

PLUMBING & SANITARY

PLUMBING & SANITARY:

- **Hot & Cold water Supply system**
- **Water Filtration System**
- **Irrigation System**
- **Swimming Pool**
- **Drainage**
- **Sanitation**
- **Rain Water**
- **Sewage Treatment**
- **LPG/NG System**

Mazari Technical Works offer plumbing and sanitary contracting with an experienced, high quality and reliable plumbing contractors. We provide a well-experienced team of plumbers and technicians who are capable of solving every plumbing problem and emergency plumbing situations. We install, service and repair a wide variety of plumbing fixtures for kitchens, bathrooms and throughout your home or office.

We also offer emergency repair service and standard plumbing repair service for all kitchen and bathroom plumbing issues. We provide professional and efficient installation and maintenance solutions, customized to suit each and every one of our customer's requirement.

A photograph of firefighting equipment in a station. In the foreground, a coiled white fire hose is mounted on a metal reel. In the background, a red fire extinguisher is visible on a wall, and a hallway leads away. The entire image has a strong red color cast.

FIRE FIGHTING

FIRE ALARM & FIRE FIGHTING

- **Fire Fighting - Sprinkler Installation**
- **Modification System**
- **Fire Alarm Installation & Modification**
- **FACP Programming**
